### About Our Bus Rental Fleet

Our fleet of rental buses and coaches were purchased new - not used. Some of our buses and coaches can accommodate from 45 to 84 passengers comfortably. All of our vehicles come with cool air conditioning for your comfort and most are equipped with seat belts. Our [party buses](#) are clean, well kept and offer a great way to transport your group or organization to and from your destination comfortably, safely and reliably!

### Trained and Certified Bus Drivers

All of our bus drivers are trained to be courteous and helpful to meet our customers' needs. But it doesn't end there. In order to become an Astro Bus Company driver, our employees are put through background checks, drug testing and are continuously re-certified through D.O.T. approved training methods.
