

Thank you for considering Old McMicky's Farm for one of your field trip destinations. Old McMicky's Farm has been a tradition in the Tampa Bay area for over two decades, and after re-opening with brand new facilities, we are currently accepting reservations for school groups for the 2013-2014 school year.

At Old McMicky's Farm, students will have a once in a lifetime experience that they will remember forever. On the Farm's professionally guided tour your students will enjoy milking a cow, riding a pony, catching a chicken, riding on an authentic hayride, barn maze and slide, and interacting with many of the farm animals we have such as goats, rabbits, donkeys, pigs, turkeys, and much more.

Each guided tour will last approximately two hours. We recommend an early arrival time so that students will have enough time to have a picnic lunch before heading back to school. The first tour leaves at 9am.

The group rate is \$8.00 if you are tax exempt, and \$8.56 including tax for children and adults for a group of 20 or more paying guests. Each school is permitted one complimentary chaperone per 20 students, and teachers are complimentary as well.

Please visit our website at www.oldmcmickys.com for more information, and then give us a call if you have any further questions or to book your field trip today! Spots are filling up fast for the 2013-2014 school year, so we recommend booking your date as quickly as possible! Thank you again, and we look forward to hearing from you soon!
