

## What To Do Upon Arrival at Old McMicky's Farm

1. Prior to your event we will send you a map indicating where the buses should park. Please distribute to all drivers. Please do not park in any area other than the gravel parking lane- Buses will get stuck, and the farm will not be liable.
2. Upon arrival, there will be signs indicating where to go for buses and chaperone parking.
3. Please follow signs from the parking area to our walkway- which will lead you to our check-in point at the main gate. At this point the Team Leader can make payment at the main office. Also at this time, any unpaid chaperones should be directed to the front to pay the admission fee of \$8.00 which is the group rate.
4. Please leave lunches in buses. While the children are cleaning up after their tour- your lunches will be taken to the proper dining location.
5. All groups should be assigned prior to the event, and lined up accordingly at the front gate upon arrival.
6. If you have not already done so, or there are any changes, please confirm what time you need to be back on the bus, or any other time constraints that you may have.
7. Please beware that students and teachers are subject to being photographed or part of a video used for promotional purposes. If you have any objection to this, please let us know ahead of time.
8. Do not allow the buses to drop off children at the front gate. Again, please have them park and drop off students in the designated area in our parking lot.
